SAVOUR

Since its foundation in 2011, Brasseurs du Monde, located in Saint-Hyacinthe (Québec, Canada), brews quality beers inspired by the world's brewing traditions... but with its Québec signature! The company creates beers with a unique and natural taste to please all consumers and provide them with an unforgettable taste experience. It stands out from the competition with its diversity of products, their consistent quality and its loyal and reliable distribution. In constant growth since day one, it produces 24,000 hectolitres per year and has created more than 200 recipes in 10 years. Always innovating, it also develops private brands for its various partners. To date, Brasseurs du Monde has collected 82 medals for 33 of its beers. In France since 2015 and soon in the United States.
